REQUEST FOR QUOTATION - RFQ #1584-REV.1

September 28, 2004

Please quote the cost for providing labor and materials to fabricate the following items complete per print specifications. All quotations will be F.O.B. Argonne. All quantities are to be considered zero variance. If a delivery date is not included in the quotation, the quotation is considered non-responsive.

1 Pc. G13665 Rev. 01 Reservoir Vessel Weldment

Notes:

1. Quote to include all documentation required to manufacture an ASME certified pressure vessel that will conform to the operating conditions as specified on the drawing.
2. Revision one added two VCR fittings, which will be furnished by Argonne.

When firm pricing and delivery information has been developed, please advise Frank DePaola by telephone (630) 252-6392 or fax (630) 252-8742, followed by written confirmation.

If an award is made, the supplier must indicate the Purchase Order and Standing Order Release numbers on all packing slips, packages, invoices, and any other correspondence pertaining to the order.

Please respond by: 10/4/2004

Your prompt cooperation is always appreciated.

Sincerely,

Frank DePaola

Good Morning Frank,

We received drawing G13665-Rev 01 via Fed. Ex. this morning. If you are willing to add plugs for hydro test to the list of Rev 01 parts that you are free issuing; we will hold our initial quoted price. We do however, reserve the right to add any material price increases that may occur to the selling price at the time of order.

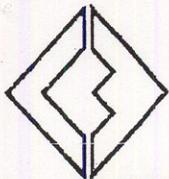

Please feel free to contact me if you have any questions. I look forward to hearing from you.

Best regards,

Mike Whelan
