

ANL Recognized Reputable Electrical Equipment Manufacturer List as of 06/13/2006

Agilent Technologies	laboratory equipment
Allen-Bradley Co.	electric, motor controls
Allied Signal	Gyroscopes, Accelerometers, etc;
B&K Precision Corp.	test instruments: multimeters, oscilloscopes, function generators, & power supplies
Bio-Rad Laboratories	Life Science Research Products
BiRa Systems Inc.	electronic equipment, supplies & components
Brown & Sharpe Manufacturing Co.	Coordinate Measuring Machines & Systems, Precision Tools & Custom Gages
Burleigh Instruments, Inc.	Surface Metrology Imaging and Measurement Instruments
Canberra Industries, Inc.	Nuclear Industry Electronics
Coherent, Inc.	Optics, Lasers, Light sources
Cole-Parmer Instrument Co.	Distributor of scientific products, instruments
Eberline Instrument	radiation measurement & detection equip.
Elgar Electronics Corp.	power supplies
Fluke Corp.	Electronic Equipment, Supplies & Components
General Electric	motors, water jet cutter, speed control
Glassman High Voltage, Inc.	Regulated DC Power Supply Products
Granville-Phillips Co.	vacuum gages, valves & controllers
Hewlett-Packard Co.	computers peripherals & supplies
Hitachi, Ltd.	Scanning Electron Microscope, power supplies, semiconductors
Keithley Instruments, Inc.	Electric Measuring & Testing Equipment, Supplies & Components
Kepeco Inc.	DC Power Supplies
Lake Shore Cryotronics, Inc.	power supplies, cryogenic controls
Lambda Americas	power supplies
LeCroy Corp.	Electronic Equipment, Supplies & Components
MKS Instruments, Inc.	vacuum measurement and control
National Instruments Corp.	data acquisition
NESLAB Instruments, Inc.	Laboratory Equipment & Supplies
PerkinElmer	Surface Analysis Equipment
Shimadzu Scientific Instruments, Inc.	Analytical Instruments
Simpson Electric Co.	controls, testing equip. & recorders
Sorensen Div., Elgar	power supplies
Square D Co.	electrical distribution, industrial control and automation products
Stanford Research Systems, Inc.	Testing Equipment
Superior Electric	Power Supplies
Tektronix, Inc.	test, measurement & monitoring products
Triplett	electrical test and measurement equipment
Valhalla Scientific	precision electronic measurement and calibration
Varian	Vacuum Instrumentation and Power Supplies
Watlow	Heating elements and electronics
Wavetek	Electronic test and measurement equipment
