

Advanced Photon Source Symposium: Celebrating the APS and Its Bright Future

Tuesday, April 18, Afternoon

- 1:45 – 2:10 Dennis Mills (Argonne National Laboratory)
Achievements at the APS
- 2:10 – 2:25 Dava Keavney (U.S. Department of Energy)
APS-U: What to Expect when You're Expecting a New Storage Ring
- 2:25 – 2:45 Laurent Chapon (Argonne National Laboratory)
Looking Forward to the APS-Upgrade
- 2:45 – 3:05 Vincent Stoll (AbbVie)
Human Health
- 3:05 – 3:25 Tongchao Liu (Argonne National Laboratory)
Clean and Resilient Energy
- 3:25 – 3:45 Si Chen (Argonne National Laboratory)
Saving Our Planet – Environment
- 3:45 – 3:55 Break
- 3:55 – 4:15 Russell Hemley (University of Illinois-Chicago)
Understanding Our Universe
- 4:15 – 4:35 Paul Evans (University of Wisconsin)
Advanced Materials
- 4:35 – 4:55 Mathew Cherukara (Argonne National Laboratory)
Computing and Technology
- 4:55 – 5:00 Dennis Mills (Argonne National Laboratory)
Closing Remarks
- 5:00 Adjourn
