RADIATION SAFETY AT APS DURING COMMISSIONING

Beth Heyeck, *Manager, Radiological User Facilities*

Q&A – ALL

An aerial photograph of the Argonne National Laboratory campus at sunset. The central feature is a large, circular building complex with a green field in the middle. The sky is a mix of orange, yellow, and blue, with the sun visible on the right horizon. The surrounding area is lush with green trees and some industrial structures in the distance.

FOCUSING IN ON KEY APS SAFETY MESSAGES
